

EnergyWorks KC

Financing Incentives

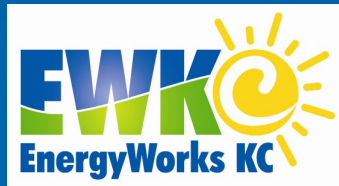

Financing components are in final negotiation with lenders.

Proposed features include:

- **Rebates** to reduce need for financing
- **Loan Loss Reserve Fund** which may offer reduced loan qualifying criteria
- **Interest Rate Subsidy** — 0% for first 12 months
- **Revolving Loan Fund** with low interest rates

- **Free home analysis** for qualified low-income households

EnergyWorks KC customer service representatives are available to assist home owners who require financing to complete their energy efficiency projects.
